Arch. Paolo Colombo

Paolo Colombo è nato a Milano il 21 maggio 1970 e si è laureato al Politecnico di Milano nel luglio 1998.

Ha fondato piu' di 15 anni fa A++, studio multidisciplinare che si occupa di tutto cio' che riguarda lo spazio del vivere "umano": dal design di prodotto, alla comunicazione, dall'architettura di interni fino alla pianificazione urbanistica.

Un progetto, quello di A++ che ha visto una crescita esponenziale, arrivando oggi a contare 9 uffici nel mondo con un team di piu' di 150 persone.

Questo è stato reso possibile soprattutto grazie ad una visione nella quale il processo creativo è il risultato di un flusso libero attraverso diverse culture, discipline e competenze, mantenendo sempre l'uomo e le sue esigenze come centro imprescindibile del progetto.
